

**Win your first client's trust...**  
**Win your second client's trust...**  
**Win your third client's trust...**

*Do this for sixteen years  
and you'll know what it is to be Nucleus Software.*

At Nucleus we are committed to making for ourselves a name that evokes blind faith in the global Banking and Financial services industry.

Since inception, we have honed our IT skills specifically in this sector. Working closely with industry leaders to understand and address their unique needs better. Developing and delivering proprietary products and customized solutions to the who's who from India to Singapore, Japan to Mauritius, Australia to USA... Besides, we have a sixteen year record of winning our clients trust.

**So, if you are looking for someone you can really depend upon, we trust we will hear from you soon.**
