

PRESS RELEASE

Nucleus Software partners with Gantek in Turkey

Extends the reach of Nucleus Products and Services to the Banking and Financial industry of Turkey

New Delhi, India | June 07 2011: Nucleus Software Exports Limited (NSE: NUCLEUS, BSE: 531209), and Gantek, one of the leading ICT integrators in the region, finalized a partnership in order to capitalize the respective capabilities and experiences in Turkish market. Given its established presence in the region, Gantek will help Nucleus enhance product sales and implementation programs in addition to providing first level of support to the clients.

Nucleus has always been a front-runner amongst the lending solutions providers across the globe. Nucleus Software's flagship product, FinnOne™ has been ranked amongst once again as the World's No.1 selling Lending Software Product across the globe by IBS Publishing, UK, for the third consecutive year (for year 2010).

Gantek provides end-to-end solutions for Finance and Telecommunications sectors as the leading Systems Integrator. With highly professional workforce and key strategic partnerships, Gantek enables effective solutions based on its long-term collaboration with leading finance institutions.

Cem Devrim, Chief Executive Officer, Gantek said, "We are glad to partner with Nucleus Software. With the global footprint and a strong global customer base of Nucleus, we look forward to introduce Nucleus solutions to our existing as well as new Banking customers in Turkey and the Region".

"The emergence of Turkey as a key commerce destination is attracting investment from major players across the world boosting its BFSI sector. The business alliance with Gantek will help Nucleus extend the reach of its award winning products to the Banking and Financial Services Industry of Turkey and improve customer experience", **said Vishnu R. Dusad, Chief Executive Officer & MD, Nucleus Software.**
