

PRESS RELEASE

## **FinnOne™ Ranked World's No. 1 Selling Lending Software Product**

**India, New Delhi, March 6, 2009:** Nucleus Software Exports Limited (NSE: NUCLEUS, BSE: 531209), a leading global provider of software products for banks and financial institutions today announced that its product FinnOne™ has been ranked 'World's No. 1 Selling Lending Software Product' by International Banking Systems (IBS), UK, in its annual Sales League Table for the year 2008.

Published by IBS Publishing, the IBS Sales League Table independently tracks financial product market and is based on a worldwide annual survey of sales of corporate, retail and private banking solutions. IBS Publishing is an independent research and publishing house dedicated to news, research and analysis covering banking operations and systems internationally.

This is the fourth consecutive year that FinnOne™ has been ranked amongst world's best selling lending software products; the ranking is based on the number of sales made in the calendar year. FinnOne™, ranked best in the lending category, emerged a winner with 17 global sales for year 2008. With this recognition FinnOne™ further establishes its global leadership position.

FinnOne™, the flagship product of Nucleus Software, is a powerhouse of seamlessly integrated applications, designed to provide operational support, risk management and decision-making support to banks and financial services companies. The FinnOne™ suite provides solutions for the asset as well as liability sides of business in addition to account management, core financial accounting, risk management, document management, and customer services. FinnOne™ also supports multi-branch, multi-currency, multi-product, and bi-lingual implementations. FinnOne™ focuses on both, retail and corporate loans, thereby emerging as a comprehensive solution to back any line of the lending

business.

On this occasion Vishnu Dusad, CEO & MD, Nucleus Software, said, "It's a matter of great pride to see FinnOne™ recognized as 'World's No.1 Selling Lending Software Product'. At Nucleus we are passionately focused on creating world-class intellectual property for a global market. Nucleus' vision is to be leading global end-to-end products & solution provider; a customer-oriented global organization committed to the highest level of quality for its products and services. A trustworthy, customer oriented organization...an open and warm environment where everyone is respected, listened to encouraged to excel...actively creating and exploring opportunity for the growth of our customers and our organization. As one of the largest IP creators in the country this recognition will only propel us to continue our quest to take technology to the next level and our commitment to offer our customers across the globe a distinct business advantage."
